Summary: Yes, this is the replacement of the Awakening support conversation. You want to see Hoshidan and Nohrian soldiers have conversations with Nintendo's greatest heroes and villains? Well you came the right place!

1. Chapter 1

Master Hand: So, you must be Ryoma from Hoshido.

Ryoma: You are correct.

Master Hand: And you're the prince of Nohr, Xander am I correct?

Xander: Yes, you are correct and thank for inviting us here to the Smash Mansion.

Master Hand: **chuckles** well, thank you for coming. As you know, the Smash Mansion is filled with other warriors from other demotions. Of course, the "warriors of the outlands" that you have said before when Corrin made his choice to join us, those are the warriors who have saved the "Fire Emblem world" which those warriors are: Marth, Ike, Roy, Robin, Lucina, and of course, Corrin.

Ryoma: Hmm~ interesting I've heard about Marth, the hero king. But I suppose just talking about it and not meeting him won't change anything.

Xander: **nods** I agree with you Ryoma, Master Hand how long are we in this building?

Master Hand: You can be here anytime, but there is one down side?

Takumi: What is it floating hand?

Master Hand: You're not allowed to battle any Smash fighters when I announce it.

Xander: Thank you master hand now, soldiers of Nohr please feel free to visit any Smash warriors anytime you want!

Camilla: ****giggles**** I don't care about the Smash Warriors; as long I see my Corrin.

Leo: Urh! Can you please stop taking about Corrin for about 5 seconds please!?

Elise: Yay! I can't wait to meet the Smash people, I bet they're gonna be have fun with me!

Ryoma: And soldiers of Hoshido, please visit any Smash fighter you want, but don't destroy the buildingâ€¦please.

Hinoka: As you command Ryoma, I do wonder who Ike is.

Takumi: Heh, I'll find anyone who can equal me in battle!

Sakura: I-I'll try not to a-a-annoy anyone.

Ryoma: Thank you once again Master Hand and farewell, for now.

Master Hand: It's nothing and farewell Lord Ryoma and Prince Xander.

Now I apologize a lot to ultimateCCC but yes the Awakening support conversations are canceled and will be replaced with the Fates support conversations but I will to Robin and Rhajat first and I'll think of other things and I'll let you guys which one's you want me to do.
